To Whom It May Concern:

The Office of the Registrar at the College of Charleston does not complete forms or generate customized letters verifying information otherwise available on an official transcript or an enrollment or degree verification.

Below please find a list of common requests and how to request documentation for each. The College of Charleston does not maintain class rank information. You may print this letter as proof of the Office of the Registrar policy.

If you require additional academic information that is not available on your official transcript or from the National Student Clearinghouse, contact the Office of the Registrar 843.953.5668 or email us at registrar@cofc.edu.

Degree and Enrollment Verification

Degree Verifications
- The College of Charleston has authorized the National Student Clearinghouse to act as our agent for providing Degree Verifications. Degree Verifications can be ordered by visiting degreereverify.org.
- Degree information is also reflected on an official transcript. See Official Transcript section near the bottom of this page.

Enrollment Verifications
- Current and former students may obtain a free certification of enrollment (or proof of full-time enrollment) for insurance, scholarship and loan purposes by logging into MyCharleston (my.cofc.edu) and selecting “Enrollment Verification” from the Banner Self-Service menu. Enrollment verifications are available immediately following the add-drop deadlines for spring and fall terms. As of July 1, 2016, enrollment verifications include an anticipated graduation date (AGD). Please note that the anticipated graduation date (AGD) is based on a formula that estimates completion from overall earned hours. It may not be accurate if the student has changed their major, failed courses, or been readmitted. It is not a guarantee of graduation. If the requesting agency requires the signature of the Registrar on the enrollment verification certificate from National Student Clearinghouse, please stop by the Office of the Registrar with a valid photo ID.
- Third parties must use National Student Clearinghouse for verifications of student enrollment. The Clearinghouse can be contacted at: p: 703.742.4200 | w: nscverifications.org/welcome-to-verification-services | e: enrollmentverify@studentclearinghouse.org
