When Can I Register?

[http://registrar.cofc.edu/courses/index.php](http://registrar.cofc.edu/courses/index.php) Students can view earned credit hours on their unofficial transcript located in Self-Service Banner.
How Do I Register for Courses?

Student registration takes place online in MyCharleston (my.cofc.edu) on the Registration Tools channel of the Academic Services tab. Students use the Registration Tools channel to add classes, drop classes, withdraw from classes, view holds and more!

- Registration is on a space-available basis. Only the professor and department offering a course can approve an override request for students to join a closed course or courses requiring prerequisites or special permission. Students should contact the Department directly.
- Students who wish to repeat a course must complete the Course Repeat Request Form and submit it to the Office of the Registrar by the drop/add deadline (http://registrar.cofc.edu/forms/index.php).
- Graduate Courses: Only students who have been accepted to the Graduate School as a degree or non-degree seeking student may register for graduate-level courses.
- Additional guides on course registration can be found on the Help & Training tab in MyCharleston on the Office of the Registrar Student Resources channel.

Taking Courses for Credit or Audit

All course registrations default to credit, which means the course is being taken for a grade. Students who wish to audit a course must register for the course and then complete a Request to Audit form. Request to audit forms must be received by the Office of the Registrar before the last day of the Drop/Add period (no exceptions). The Request to Audit form can be found on the Office of the Registrar website (http://registrar.cofc.edu/forms/index.php). Note: Certain courses do not permit an auditing option. Please consult the Department or the academic catalog.

Course Registration Requirement

Students may attend a course only if they are officially registered in the course and appear on the instructor’s official course roster. Faculty, Program Directors, and Department Chairs do not have the authority to permit students to attend a course for which they are not registered. This requirement applies to students who intend to earn course credit and to students who intend to audit a course.

Students are responsible for meeting all deadlines posted by the Office of Admissions, Office of the Registrar and on the Academic Calendar (registrar.cofc.edu).
