Classics Teacher Education Program (Grades PK-12)

Students interested in teacher certification in foreign language must complete both the Classics major (for Latin certification) and the foreign language education major requirements.

After declaration of a major in Classics, students interested in teacher certification in foreign language must meet with the director of certification and clinical practice, School of Education, Health, and Human Performance, 843-953-5613. Students must take EDFS 201 during their sophomore year and apply for acceptance into this program no later than the second semester of their sophomore year. In addition to meeting with an assigned advisor in Classics, candidates in all languages must meet with Dr. Shawn Morrison, 404 J.C. Long Building, morrisonsh@cofc.edu, for additional information as soon as possible. Requirements include:

- admission to and successful completion of the approved Teacher Education Program
- passing score on the Praxis II Principles of Learning and Teaching Test
- and the successful completion of the content major in Classics, with its specific course requirements and GPA requirements (see below).

In order to be admitted to the Clinical Internship (EDFS 460), candidates must have met the following requirements:

- Completion of all Classics course requirements for the Classics major in Education.
- 2.50 GPA in Classics courses
- 3.00 GPA in EDFS courses
- 2.60 overall GPA

When declaring teacher certification in Classics though the Program of Study Management System (POSM), students must first select “Declare or Add a Major” and then “Secondary Education Cognate” from the major list. Once this selection is made, a second menu box will appear with a list of the associated majors. Select the Classics major and follow the on-screen instructions.
